

Disclaimer

This material is provided with the understanding that it is not a solicitation for business. Any information or opinion provided, be it electronic, verbal or written is for information purposes only and in providing this information we do not purport to be acting in an advisory or fiduciary capacity.

While the accuracy thereof is not guaranteed or implied we have made reasonable efforts to represent the information in a fair and unbiased format. We do not undertake to update the information and we do not undertake to advise any person if the accuracy or characteristics thereof change.

Past investment performance is not a guide to future performance and is not represented as such. Investors in financial instruments need to be aware that these instruments and their derivatives may be volatile in terms of price and investment returns as well being aware that the underlying entity has intrinsic risk. Investment should be regarded in a longer-term context. The performance of historical portfolios, calculated portfolios, specific investments, combinations of investments, risk indicators, asset class returns, etc are indicative only and should not be interpreted as an indication of future performance, returns or risk indicators.

Integre, its directors, principals, associates or staff may or may not have a have a casual or permanent interest in the financial instruments or securities mentioned in this presentation or report.

This document, the material on the website, email or presentation, in whole or in part, in whatever format, is the property of Integre Investment Management (Pty) Limited, Financial Services Provider No. 851
